

Local League Rules

At the May 6th meeting of the Washington Girls Softball League, the following local league rules were voted on and approved by the board:

10U

No pitching limitations.

10U will play tournament rules during the regular season when it comes to games cut short by weather or other events. The game will be picked up from its point of stoppage. *Revised Sept 9, 2013.*

You may use a courtesy runner for your pitcher and catcher:

Use any sub 1st

After the sub, you may use your last batted out

If no batted outs (ie. first inning), use the last player in your line-up

No player may be a courtesy runner more than once in an inning

Number of players required to start a game:

You may start a game with one less player than required. If playing with 8, each time the 9th player would come up to bat, it is a recorded out.

Using a borrowed player creates a forfeit for a team. The game can be played and score but the outcome is still a forfeit. *Revised Sept 9, 2013*

12U

No pitching limitations.

You may use a courtesy runner for your pitcher and catcher:

Use any sub 1st

After the sub, you may use your last batted out

If no batted outs (ie. first inning), use the last player in your line-up

No player may be a courtesy runner more than once in an inning

Number of players required to start a game:

You may start a game with one less player than required. If playing with 8, each time the 9th player would come up to bat, it is a recorded out.

Using a barrowed player creates a forfeit for a team. The game can be played and score but the outcome is still a forfeit. *Revised Sept 9, 2013*
